

## blue rinse blues

Baby, I got the blue rinse blues -  
I just can't dance like I used to do -  
think I'll fit the Zimmer frame with pink ballet shoes -  
O Baby, I got the blue rinse blues

Baby, I got the blue rinse blues -  
I just can't do the rhumba like I used to do  
my number's nearly up and my feet are like glue -  
O Baby, I got the blue rinse blues

Baby, I got the blue rinse blues -  
I just can't Okee Cokee like I used to do -  
shook it all about and my pelvis snapped in two -  
O Baby, I got the blue rinse blues

Baby, I got the blue rinse blues -  
I just can't jive like I used to do -  
colostomy wobbles all the way to the loo -  
O Baby, I got the blue rinse blues

Blue rinse blues is what the blues are all about -  
rinsed my hair blue and it all fell out -
