

Doggerel

This little collection of poems is on the common theme of dogs: man's best friend and emergency dinner. Some of the poems are tongue in cheek and others are nose to tail. Man and dog has always been a two-way process and it is anyone's guess who or which has the upper hand or paw.

Little brown dogs Good dog Sebastian
Dogs' dinners robot dog sea dog
Nimby A dog's life
Sometimes you treat me like a dog
Doing what comes naturally
Dog Star Hot dogs Cave Canem
Hunting with dogs
